Advising

The Academic Advisor for Undergraduate Chemical Engineering for non-honor students is Ms. Veronica Ellison. CHEE Undergraduate Advising hours are Tuesdays and Wednesdays from 10:30 am-3 pm by appointment and walk-in advising is available from 3 pm - 5 pm on these days. She can be reached at 713-743-4957 and you may make an appointment by emailing vellison [at] central [dot] uh [dot] edu. CHEE Advising is located in the Cullen College of Engineering, Bldg 1, room S241.

There is also mandatory advising for career planning/advising for non-honors students conducted by several faculty members of our department. The objective is to help on degree planning, answer any questions concerning academic policies, scholarships, internships, etc. Meeting duration is 10-15 minutes. This must be accomplished during the month of November for the Spring semester and April for the Summer and Fall semesters. Failure to do this will result in a hold placed on your account after either November or April until you meet with your advisor. Please sign up with your corresponding advisor as shown below. The method for signing up is also listed on the table. Please bring the flow chart or degree plan so the advisor can sign off. The career planning/advising is mandatory, but we will waive it if you do not want to meet with your advisor ? please tell your advisor so at the time of signing up. All students on probation or suspension will be advised by Dr. Fleischer (Undergraduate Program Director).
