

## **BAYER MATERIALSCIENCE UNDERGRADUATE SCHOLARSHIP GUIDELINES**

Bayer MaterialScience's donation is \$2500 worth in scholarship to the University of Houston's department of chemical engineering. The criteria for this scholarship are as follows:

- Undergraduate Student in College of Engineering
  - Registered and active student in current semester
- Grade Point Average
  - Engineering Grade Point Average is 3.0 or higher
- Written Essay explaining:
  - (1) how he/she became interested in the technical field of choice and chemical manufacturing
  - (2) knowledge of Bayer MaterialScience
  - (3) the need for scholarship (special consideration for those with financial needs)
- Letter of Recommendations:
  - 2 College professors or Deans
  - 1 Employer

The scholarship application deadline is the last week in December of each year. Students should fill out a scholarship application form that can be found in the ChBE website. Applications should be emailed to [mfleischer@uh.edu](mailto:mfleischer@uh.edu).

Scholarship recipients are selected by the Undergraduate Curriculum Committee of the ChBE department. Selection is based primarily on established academic achievement and/or academic potential or the financial need of exceptional students. Awardees are announced by the fourth Monday of January of each year.
