

## **LUBRIZOL FOUNDATION SCHOLARSHIP GUIDELINES**

1. The **Lubrizol Foundation Scholarship** supports only students in the department of Chemical & Biomolecular Engineering (ChBE) at the University of Houston.
2. Each scholarship is in the amount of \$2,000 and applied only to tuition. Normally four/five scholarships are awarded each year.
3. The scholarship application deadline is the last week in December of each year. Students should fill out a scholarship application form that can be found in the ChBE website. Applications should be e-mailed to [mfleischer@uh.edu](mailto:mfleischer@uh.edu).
4. Applicants must be full time deserving juniors or seniors (12 credit hours min and must have successfully completed at least ENGI 1331, CHEE 2331, and CHEE 2332) in order to be considered.
5. Scholarship recipients are selected by the Undergraduate Curriculum Committee of the ChBE department. Selection is based primarily on established academic achievement and/or academic potential or the financial need of exceptional students. Awardees are announced by the fourth Monday of January of each year.
